Pattern/Quilting request:

Please see page two for estimates. Actual charges may vary and will be shown on your invoice, which is provided to you when you pick up your quilt.

Your quilt will be ready in 1-3 weeks unless it requires custom design/quilting which can take longer. We make all attempts to accommodate your needs - just let us know in advance.

Disclaimer---Fullness/puckers cannot always be quilted out; we do not guarantee they will not be sewn in; in some cases excessive fullness may cause the quilt not to be square.

Backing fabric yardage provided: **Need a minimum of 4" extra all the way around.**
problems may occur and cause damage to a quilt top or back.

By signing below you are indicating that you read and understand these disclaimers. As well, you have reviewed and authorize the above work to be completed on your quilt by Longarm Quilting by Design. You also understand that quilting is an art and not exact. Minor imperfections are normal. You understand that you are financially responsible for the cost of the services as stated. If the quilt is displayed in a show or publication, you agree to credit the machine quilting to Longarm Quilting by Design.

Payment in full is due when picking up your quilt. We accept cash, Zelle.

Please sign below to indicate that you agree to the estimated charges and the pattern/thread that we have chosen together for your quilt. If additional charges will be incurred, we will attempt to contact you to inform you of the changes.

May we have your permission to photograph your quilt and use it on our website or in presentation about quilting?

Cost expectations on Longarm Quilting

Type of Quilting	Density	Price per square inch	Description
Edge to edge (e2e)	Loose	\$.025/square inch	This is loose quilting that covers the entire quilt with one design, generally with open areas up to 4" square or larger if you choose a different scale.
	Moderate	\$.03-.0375/sq. in	This is moderate quilting with open areas up to 3" square.
	Dense	\$.0375-.045/sq. in.	This is dense edge to edge quilting with open areas up to 2" square.
Custom border with border to border fill	Loose	.035/sq.in.	This is quilting with an e2e in the main part of the quilt, and a different pattern in a border. The above density rules apply, prices may be adjusted for additional borders.
	Moderate	\$.045-.045/sq. in.	This is moderate quilting with open areas up to 3" square.
	Dense	\$.045-.055/sq. in.	This is dense edge to edge quilting with open areas up to 2" square.
Semi custom		\$.035-.045/sq. in.	Each block, sash or border quilted with a specific pattern, or other complicated placement requiring a quilter to be at the machine a majority of the time.
Custom		\$.055 and up/ square in.	Like semi custom, but with adjustments to most patterns, frequent starts and stops, creating boundaries, simple trims (cutting background quilting out around appliques), etc.
Heirloom		\$.075 and up/ square in.	Like semi custom but may include hand guided background fills, complicated trims, ruler work, stitching in the ditch, working with delicate or unusual fabrics. Requires the quilter be at the machine at all times
